## LOW MAINTENANCE

### VINYL FENCE CLEANING

- Most dirt can be washed off with a mild soap and water solution.
- Heavier stains can be cleaned with any non-toxic household cleaner.

### HOW DO I CLEAN MY VINYL FENCE?

- On occasion you may want to spray your fence with a garden hose. This will remove grass clippings, dirt and fertilizer chemicals and keep it looking as new as possible.
- To remove minor stains use a non-abrasive liquid cleaner.
- For removal of major stains follow the manufacturer's directions for one of the following cleaning agents:
  - Simple Green® All Purpose Cleaner
  - Mr. Clean® Magic Eraser
  - Mineral Spirits
  - Trichloroethylene
  - CLR (Calcium, Lime and Rust) Cleaner
  - Vinegar

*\*Note: Goof Off® and Goo Gone® are not recommended to remove stains.*

### MAINTENANCE TIPS

To maximize the life of your fence address these areas:

- Adjust the gate every Spring — As a reminder, gate adjustments and leveling are normal care and maintenance items that the homeowner is responsible for.
- Oil the gate hinges and tighten the screws once a year.
- Do not let the gate swing in the wind. Keep it secured.
- Deter children from swinging on the gate.
- Re-tamp and realign loose posts.
